

# Primary 3/4

## Our Class Charter

We worked together to decide what we need to do to make sure everyone in our class has respect for learning, respect for other children, and stays safe and happy whilst we are in school. We made a class charter and all signed it. It's on display in our class and we use it to help us uphold our Colinton School Vision.

Learning and achieving together:  
nurturing creative and inquisitive  
minds to reach their full potential.

## Big Writing

Our school writing programme encourages us to be 'Big Writers'. We have 4 different aspects of writing we need to consider. We call this VCOP. In our class we have been discovering interesting words to use in our work. These are our WOW words. We can tell you some at home if you ask us!

## Under The Sea

We have chosen our topic for this term and shared what we know already about this fascinating world. Next we created a list of things we want to find out. We are using the internet and books to help us with our learning. Our topic wall is 'growing' as we find more answers to our questions.

Our class - we welcomed 2 new children to our class this term from other schools – Isla and Liam.

We decided to give our tables group names. We made different suggestions and then voted for our favourite. The clear winner was for dogs' names and so this term we have the Chihuahuas, the German Shepherds, the Welsh Spaniels and the Cockers Spaniels. We are awarded table points for working as a team, keeping our tables well organised and encouraging each other.

## French

Bonjour.....we learn French with Mrs Anderson on Thursdays and practise on the other days of the week. Ask us at home what we can say in French..... au revoir.

## Maths

We have been working on different aspects of maths this term in our different groups.

We play lots of games as well as writing in our jotters.

Some of us have become very speedy at knowing the answers to our doubles. Challenge us at home to find out what we know.

Shoes with laces.....if we are wearing lacing up shoes please help us to learn how to tie them ourselves. We want to stay safe!

Primary 3/4 have PE on Mondays and on Fridays. We need to have shorts and gym shoes or trainers. Well done to everyone who has got their kit in school.

Lost property – we already have a number of school cardigans and sweatshirts lying unclaimed in our cloakroom box – if these were named we could return them to their owners!

Classroom drinks – we know it's important to drink plenty water and so many of us keep our water bottle at own table. We can refill it throughout the day.
