

Primary 5

Successful Learners

We have investigated the Colinton Primary Values to see how they can help us be successful learners. We show **RESPECT** for learning by working hard and trying our best at all times. **RESILIENCE** means that we don't give up and keep on trying even when learning is tricky. We take **RESPONSIBILITY** for our learning by making sure we have everything we need for learning and looking after equipment.

Learning and achieving together: nurturing creative and inquisitive minds to reach their full potential.

The Rainforest

We have been learning about the rainforests around the world. We started by creating a list of **BIG QUESTIONS** to guide our investigations. We have created a rainforest in our classroom, which we are looking forward to showing everyone at the Open Afternoon.

The BFG

We are enjoying reading the story of the BFG - and are learning some splendiferous new vocabulary!! We have also learned a lot about friendships - about not judging people by how they look and how to deal with bullies.

We are now really looking forward to going to see the film at the cinema.

French

Bonjour! Ça va?

Ça va bien. 😊

Comme ça comme ça. 😐

Ça ne va pas. 😞

À bientôt

Au revoir!

Science

We will be learning about Solids, Liquids and Gases and linking this to the Water Cycle.

P5 will have P.E. on Mondays and Thursdays this term – make sure your child has their gym kit – gym shoes, shorts/joggers and a t-shirt.

Swimming will be on Thursdays – Group 1 have lessons until the October holiday then Group 2.

The violin teacher will be in school on Monday afternoons.
