

Spring and Easter Update

Visit to Colinton Primary School by Education Scotland 23rd - 25th April 2019

We are looking forward to welcoming our visitors from Education Scotland to school after the Easter holidays. At our Assembly this week, the children learnt about what an inspection is and what an important role our pupils have to ensure that the visiting team find out "What it is like to be a learner in our school." We would really appreciate your support with our inspection by completing the online survey. I have included the link below. The survey will be open until 15th April.

Staffing News

We are delighted to announce that Miss Melissa Mitchell has been appointed permanently as Principal Teacher with responsibility for the Early Level. Miss Mitchell will continue in her role as nursery teacher for the remainder of this academic session. Ms Natasha Houston and Ms Lauren Barron have also joined the Early level team on a permanent basis. Ms Alexis Wilson has joined the Early Years Team on a temporary basis until June.

On Wednesday 3rd April, the new nursery team held a "Learn Along Session" for parents and carers. This was extremely well attended by over 90% of our families. Thank you to everyone who came along to share in their child's learning. We really enjoyed reading all your comments and spending time with you.

Nut Allergy Reminder

We have children and staff in school who have an allergy to nuts. Please remember to check the ingredients of items in your child's packed lunch and remove any which may contain nuts. This may also apply to chocolate spreads. Thank you for your support with this.
