

Literacy	Health & Wellbeing
<p>Reading Read a story with or to an adult each day. Talk about the different characters in the story. Predictor- Can you stop in the middle of the story and predict what is going to happen next</p> <p>Flowers/Caterpillars/Tigers We are revising the digraphs that we have learnt so far this term. sh, ch, th, wh, ai, ay, ee, ea, igh, -y Why not watch Geraldine the Giraffe on YouTube and see what she can find around the house.</p> <p>Ladybirds Revise your single sounds and practise putting the sounds together on your whiteboards to make three letter words e.g. tap, pat, sam, nit. I have attached a list of words to help.</p> <p>Practise reading and writing all tricky words for blocks 1 and 2. Flowers- Key Words stage 5 Caterpillars stage 3 and 4 Tigers Stage 3 (all attached if you have lost them) (reading only)</p> <p>Daily Writing Practise forming your letters correctly. Use doorwayonline.org.uk for help. Make a diary entry for each week for a soft toy. This can be real or imaginary. Parent can encourage a detailed picture. Grown-ups can scribe or support writing.</p> <p>Talking & Listening Miss Mitchell is uploading a story to your learning journal. Have a listen and tell me what you like or didn't like about the story. Can you retell the story to someone else?</p> <p>On Sumdog there are spelling and reading activities for each group to complete and a challenge!</p>	<p>Can you complete the pepper and water experiment? What happens to the pepper when you put soap on your finger?</p> <p>https://www.youtube.com/watch?v=ho0o7H6dXSU</p> <p>Parents – please use this link to see the experiment we would like you to recreate. This is a great way to support the importance of hygiene and hand washing.</p> <p>Yoga Cosmic Yoga on YouTube have a huge amount of resources that P1 LOVE!</p> <p>Joe Wicks 'The Body Coach' has a live PE lesson you can do from home every day.</p> <p>Fischy Music Assembly Monday 11am</p>

Numeracy & Maths	Inter Disciplinary (Topic) and Other Learning
<p>Number Our numeracy focus just now is addition and subtraction. I have updated each group's numeracy learning on Sumdog! Login and access your groups learning.</p> <p>Be creative about what you use to help with your adding and taking away. You can use every day items in your house to create your own sums e.g. stones or counters. Try throwing two dice and add them together.</p> <p>We warm up every day by counting forward and backwards starting at different numbers. We play lots of games with dice and dominoes.</p> <p>There are lots of great adding and subtracting games on topmarks.com and worksheets on twinkl.com.</p> <p>I have attached lots of resources to keep you going this week. You also have the TJay Workbooks that I have provided in your home learning packs.</p> <p>Topic maths We have been learning about different types of pictographs. Can you make a pictograph of the flowers in your garden or the colours of car that you can see from your window.</p> <p>I have attached a blank grid.</p>	<p>Miss Mitchell and Mrs Campbell are looking forward to hearing and seeing the learning that you are doing at home.</p> <p>Remember that all activities that you are doing in your house are very valuable to your child's learning. Baking, cooking, reading and talking about your day.</p> <p>The Zoo might be closed but the webcams are open so you can see the animals. Can you write me a story or draw me a picture about what it would be like to live in the zoo?</p> <p>We were just starting to look at the life cycle of a flower and what they need to grow. What do you already know about looking after animals, plants or a younger sibling? What did they need to help them grow?</p>

All questions and queries should be directed to: admin@colinton.edin.sch.uk

Miss Mitchell and Mrs Campbell will be uploading different stories to your learning journal, but we are looking forward to seeing what you have been learning at home. Please feel free to use the new 'message' feature if you have any questions.
