- For each sound (one/two per week), ask your child to...
 - **say** the sound and the **phrase** (if listed) MTYT (My Turn Your Turn)
 - match sound to the sound picture (See letter formation chart)
 - find the sound on the Speed Sound Chart (above)
 - **write** the sound (See letter formation chart)
 - **think of** some example words containing the sound. Write them on a whiteboard or on paper for your child, who sounds out then blends the letters together e.g. w – i – sh wish
 - spell out some words using **Finger Spelling** (pinch the sounds on to your fingers - one finger for each sound)
 - **write** some words containing the sound. Read the word to your child They write it on paper / whiteboard
 - **dictate** a short sentence with one of the words in it

Regularly go back to phonics that your child gets stuck on.

When you get to the end of your phonic list start at the top again with different words/ use rhyming words.
