

# Colinton Primary School - P5 Home learning grid – Monday 30 March – Friday 3 April

\*Tweet pictures of your home learning achievements #ConnectingColinton #ColintonStars\*

Literacy	Numeracy & Maths												
<p><b>Reading</b> Read a book of your own choice for 15 minutes each day. Be a Word Wizard – Make a WOW words page in your Home Learning jotter. As you read each day gather new and interesting words to add to your page. Find the meaning of each word and try to use it in your own sentence.</p> <p><b>Spelling</b> – A prefix is a group of letters added to the beginning of a word to alter its meaning and create a new word. The following words have the prefix 'bi' <b>bicycle biplane bisect bilingual bimonthly biweekly biannual binocular</b> – find the meaning of any unfamiliar words. Can you work out the meaning of the prefix 'bi'. Use activities from the spelling card in your homework jotter to practise spelling these words. Can you add more 'bi' words to the list?</p> <p><b>Writing</b> – Use the Motif Match sheet in your pack. Follow the instructions to sort the cards into groups, choose a genre and create your own story. Draw a story map with 4 pictures to plan your story. Then write a paragraph about each picture to create your story. Share your story with someone in your family.</p> <p><b>Daily Writing</b> – Choose 3 fronted adverbials each day and use each to start an amazing sentence.</p> <p><b>Talking &amp; Listening</b> Watch one of the BBC Bitesize programmes on BBC Scotland at 10am each day then tell someone in your family what it was about.</p>	<p><b>Number</b> <a href="http://www.sumdog.com">www.sumdog.com</a> Keep using Sumdog to practise maths skills – there are Challenges in your tasks folder to try.</p> <p><b>Addition and Subtraction</b> – Choose either the mild, spicy or hot chilli challenge box. Each day choose numbers to create 5 addition and 5 subtraction calculations. Write the calculations neatly in your jotter and find the solution. When you have completed your 10 calculations use a calculator to check your answers.</p> <p><b>Remember</b> – 1. To carry digits in addition and exchange if you need to in subtraction. 2. Put the biggest number on top when you are subtracting.</p> <table border="1" data-bbox="1164 622 2184 933"> <tr> <td style="text-align: center;"> 434 566 766</td> <td style="text-align: center;"> 4893 3674 5904</td> <td style="text-align: center;"> 46728 58932 83647</td> </tr> <tr> <td style="text-align: center;">458 346 234</td> <td style="text-align: center;">4638 3748 9075</td> <td style="text-align: center;">37928 47339 78923</td> </tr> <tr> <td style="text-align: center;">694 903 571</td> <td style="text-align: center;">6004 3982 2398</td> <td style="text-align: center;">47309 27384 90447</td> </tr> <tr> <td style="text-align: center;">345 609 345</td> <td style="text-align: center;">4738 4077 4582</td> <td style="text-align: center;">47380 47509 70502</td> </tr> </table>	 434 566 766	 4893 3674 5904	 46728 58932 83647	458 346 234	4638 3748 9075	37928 47339 78923	694 903 571	6004 3982 2398	47309 27384 90447	345 609 345	4738 4077 4582	47380 47509 70502

<p><b>Health &amp; Wellbeing</b></p> <p><b>Stay active</b> – Have you been doing <a href="#">P.E. with Joe Wicks</a>? It's great fun and keeps you fit! Find it on youtube.com at 9.00am each day – or you can also find it later in the day!</p> <p><b>Keep Singing!</b> – Fischy Music have a live sing-a-long on youtube every Monday at 11am. You can also watch it later by searching for Fischy Music Assembly Sing-a-long</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p><i>Hello P5 - I hope you are all enjoying your Home Learning tasks. It's been lovely seeing some of your work on Twitter and I can see that many of you have been busy on Sumdog too!</i></p> <p><i>Be resilient and keep on learning!</i> <span style="float: right;"><i>Mrs Anderson</i></span></p> </div>	<p><b>Inter Disciplinary (Topic) and Other Learning</b></p> <p><b>Amazing People, Amazing Me!</b> I wonder which part of the body you investigated last week? – maybe you could put a photo of your work on Twitter. This week choose another part of the body to investigate - either Digestion, The Brain or The Lungs – and present your learning in your jotter – you could create a factfile – a diagram – a report.</p> <p><b>Art</b> – find a photo or picture of a person, place or object and sketch it. Either add colour using your coloured pencils or use your pencil to add shading using some of the techniques we have learned e.g. hatching, cross hatching, stippling.</p> <p><b>French</b> Complete the French Family wordsearch in your pack. Try to use the French names for your family members for a whole day.</p>												

"NB: Guidance, activities and ideas to support learning will be added to the new "Launch Pad" page on our website for children who are part of a 'Launch Pad' Group."
