

Please try to comment and add photos onto your Learning Journal and let us know if you are having any issues with logging on.

We're also asking families to tweet using #ConnectingColinton with any achievements @ColintonPrimary

Literacy	Numeracy & Maths
<p><b>Story Focus</b> ...Lie back, close your eyes and listen to the story of <b>The Town Mouse and Country Mouse</b> with Miss Falconer</p> <p>Listen out for <b>boost words</b> (these are words to help improve your listening, talking and vocabulary) <b>town, country, trees, earth, home</b></p> <p>Discuss the differences between staying at home in the country and staying at home in the town.</p> <p>Chat about why staying at home is so important right now.</p> <p>Perhaps you can check on google earth/maps what Edinburgh looks like in the town and out in the countryside and draw what you see.</p>	<p>Can you find some natural loose parts in your garden or while out on your daily walk that you can use to <b>design and create a home for creatures</b>; a bug hotel, a nest for a bird or a safe cosy wee place for a mouse or two?</p> <p>We love <b>block play</b> at nursery and it's a great way to explore size and amount as well as positional language. Use any shapes or blocks you can find and be creative with them. We'd love to see what you can build!</p> 
Health & Wellbeing	Inter Disciplinary (Topic) and Other Learning
<p>The whole school is looking at the <b>Red Cross: Power of Kindness Calendar</b> Why not join in with this activity and think about what kindness means to you? Pick 5 acts of kindness you could do over the next few weeks, it may be something helpful at home, being kind to a sibling or pet, or supporting a good cause. Remember by staying at home as much as possible you are all helping save lives - this could be one of your kind acts.</p> <p><b>Colour your world with kindness!</b></p> <p><a href="https://www.redcross.org.uk/get-involved/teaching-resources/kindness-calendar">https://www.redcross.org.uk/get-involved/teaching-resources/kindness-calendar</a></p> <p>Look out for a lovely <b>Meditation Video with Miss Houston</b> on Learning Journals this week. There is no right way or wrong way to do this and you can do it by yourself or in a family group. Our main message is about calm and relaxation with a focus on kindness and the importance of feeling safe at home.</p>	<p>A bit of fun for you to enjoy – <b>French singing!</b> Try this fun video ... <a href="https://www.youtube.com/watch?v=atNkl6QFZ50">https://www.youtube.com/watch?v=atNkl6QFZ50</a></p> <p>Don't worry if you can't sing all the words. There are 2 key ones to learn.  <i>Bonjour – Hello</i>  <i>Merci – Thank you</i></p> <p>Teach these words to someone else at home</p> <p>We love <b>the great outdoors</b> and we'd love you to try some of these challenges. Many of them are really easy like 'hide and seek', I-spy or making perfume. We know our children love mixing and making.</p> <p><a href="https://www.habitatfirstgroup.com/wp-content/uploads/2020/03/30-days-of-the-great-outdoors.pdf">https://www.habitatfirstgroup.com/wp-content/uploads/2020/03/30-days-of-the-great-outdoors.pdf</a></p>
