Literacy	Numeracy & Maths -
<p>1. Reading- Complete one of the activities from the Reading Activities sheet in your pack. Keep reading a book of your own choice for 15 minutes every day.</p> <p>2. Writing - Make sure you have completed both writing tasks on last week's grid.</p> <p>3. Literacy - be a word finder.... How many small words can you make from the word KINDNESS? Rules - 1. Each word you make must have 3 or more letters in it. 2. You can use the letters s and n twice in a word, all the other letters can only be used one time because they only appear once in 'kindness.' (Ask a grown up at home to help if you're not sure what this means.) Why not email your completed list into school...who will find the most words?</p> <p>4. Spelling - this week you will find a spelling quiz on Sumdog for the words you have been practising on your spelling sheet. This is for children in one of the class groups, Launch Pad learners have their own lists.</p> <p>5. Enjoy listening to David Walliams read from his book Fing - https://www.worldofdavidwalliams.com/</p>	<p>1. www.sumdog.com Try the maths task for your group. Look out for a new challenge every school day.</p> <p>2. Use Topmarks to practise your 3 and 6 times tables. https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>3. Shape - our maths focus for the next week is 2D shape. *There is a separate sheet for this. *The sheet has activities which will last for 2 weeks, this is the 2nd week. *You should complete 3 starter activities from the sheet and then choose 3 other activities - 1 activity from each row, = 6 activities altogether. Which column should you choose? ▲■ = mild or spicy, ◆ = spicy or hot Get creative - everyone has free choice!</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;"> <p>P4/5 Privileges - Who has caught my eye this week?</p> <p>Jacob, Erin and Louisa for completing all 4 Sumdog maths tasks which were on last week's home learning grid.
