

WRITING

Instructions - How to wash your hands.

GUIDELINES TO HELP YOU

You need to have a TITLE.

Then say what you need or if it's a recipe what ingredients you need etc

Draw a picture of what you need beside it.

When we are writing instructions, we use the words,

First, Then, Next, After that, Finally at the start of each sentence. - I have highlighted them in **red** to help you.

Then we use what we call **BOSSY verbs** for eg mine are,
PUT, WASH, RINSE, TURN, DRY,

I have highlighted them in **green** to help you.

Think of the **BOSSY** verbs you will need to use for your task.

Can you highlight them in a particular colour?

Remember, you need to put in full stops, commas and capital letters in the correct places.

Take a new line for each sentence.

Good Luck! 😊
