

Spelling - this week we are practising words with a 'soft g' spelling. This happens when the letter g is followed by e, i or y - look = **ge**, **gi** or **gy**.

1. Look for your name at the top of one of the boxes.
2. Inside the box you will see the soft g spelling words you need to practise this week.
3. On Friday take the Sumdog spelling test - all 3 quizzes will be open to everyone but you might be best to stay with the list I think best suited to you! That means I only expect you to do 1 quiz.

Who has caught my eye this week? Thank you everyone for working hard and sharing your learning.

This week's special mentions are for...

Eden, Erin, Isla, Sophie, Louisa and Ryan - all shared photographs of their learning - French fact files, a VE Day cake baked, reading activities completed, practising telling the time, a fabulous Gerald the giraffe model made, pictures drawn.... WELL DONE! I've enjoyed looking at them all.

Sumdog leaderboard - well done to these children who all completed the Times Tables Challenge - **Ethan, Imogen M, Tara, Jay, Eden, Ryan**

HAPPY BIRTHDAY to Ethan who was 9 on 18th May.
