

Please try to comment and add photos onto your Learning Journal and we're also asking families to tweet using #ConnectingColinton or #BearHuntEdin with any achievements @ColintonPrimary

<p>Literacy</p> <p>Story Focus ... cuddle up and listen to 'The Everywhere Bear' story with Miss Falconer. Think about all the adventures the Bear goes on with friends from school. He has some fun times and some tough times too. Think about being 'resilient'. Do you know what this word means? This is one of our Colinton school values.</p> <p>Listen out for these rhyming boost words (these are words to help improve your listening, talking and vocabulary) - cuddle, puddle, fellow, yellow, stripe, pipe, odd, cod</p> <div style="border: 1px solid blue; padding: 5px;"> <p>Who has caught our eye this week? Oisum ...Mrs Hill was pleased to chat to you on the phone, you were so confident and clear. Alice ... you have been enjoying Education City and working on your listening. Raghad ... we loved seeing your smiling face getting outdoors and building with sticks. Aarron ... you are riding your bike without stabilizers. Wow! WELL DONE EVERYONE!</p> </div>	<p>Numeracy & Maths</p> <p>Go on a Penny Walk - Every time you come to a junction, flip a coin.</p> <p>If it lands heads up, turn right. If it lands tails up, turn left. Where do you end up?</p> <p>When out on your walk can you spot any teddies hiding? Use positional language such as behind, near, above, in front</p> <p>I wonder how many Bears you will find on your adventure and what you will bring back to add to your window display? Count them and compare them ... big/small, colours, shapes.</p> <div style="border: 1px solid blue; padding: 5px;"> <p>Remember ... We have free access to the learning platform on www.educationcity.com until the end of May.</p> </div>
<p>Health & Wellbeing</p> <p>Look out for details of Mrs Campbell's Sports challenge on your journal and the school website this week.</p> <p>This Friday we are having a Colinton Tea Party to celebrate 10 years of our wonderful Room to Grow. To prepare for this the teachers are asking classes to practise some skills at home by preparing your own tea party in any way you choose ... how about a teddy party? Plan the menu, mix the dandelion tea potions, invite your 'guests' set and decorate the table.</p> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div>	<p>Inter Disciplinary (Topic) and Other Learning</p> <p>Please check out www.bearhuntedinburgh.wordpress.com for some exciting transition activities for all Nursery Children in Edinburgh. Last week, you were asked to put a teddy bear in your window as part of our 'Bear Hunt'. This week, our bears are off on an adventure!</p> <p>We know that everyone is different. Please join in with whatever your child thinks is fun and don't worry if there are things they don't want to do.</p> <p>We're asking our Colinton Children to get out and about looking for bears in their community. Can you take photos of anything you see? Our P1 friends (and others!) are helping us by putting bears up too. Can you and your bear act out the story – is there long wavy grass, squelchy mud or splashy puddles? What materials will use to create your story?</p> <div style="text-align: right;">  </div>
