Literacy

Story Focus ... listen to the story video read by Miss Houston 'While He was Sleeping....' By Ayano Imai. **Talk to someone** about what you thought of this story. The story is all friendships, kindness and seasons.... How do the seasons link with our learning about time in Maths? Do you know the vocabulary for the 4 seasons ... **Spring, Summer, Autumn, Winter?**

Can you make **a toilet roll bird feeder** for the birds?

"No act of kindness, no matter how small is ever wasted."

Who has caught our eye this week? Well done to **Indie** for working so hard planting flowers outdoors in her fairy garden. **Zack** for being so creative with his Lego, what a great spider you made! **Tegan** learning through her letter learning wall - super work! **WELL DONE EVERYONE!**

Numeracy & Maths

We love counting and we love the outdoors! We also love sticks and stones. Could you collect some on your daily walk? Can you count, sort, share and organise them?

Health & Wellbeing

The whole school continues to look at the 'Power of Kindness'. How will you **Colour your world with kindness** this week? **What have you been doing to celebrate the 'People who help us', especially with our VE Day commemorations?** Share with us on Learning Journals.

Mrs Campbell's PE challenge this week is ... the Egg and Spoon Race! Use a spoon and a ball or egg. Race someone in your family. Can you balance your egg and spoon through an obstacle course indoors or outdoors? What is your best time?

Inter Disciplinary (Topic) and Other Learning

We have free access to the learning platform on www.educationcity.com for the whole of May.

Everyone's login details are on Learning Journals – give it a go! We've had excellent feedback from some parents already and lots of children enjoying it.

And, shhh! Top Secret! Your teachers have been busy creating something special for everyone ...

Keep an eye on the post and your leaning journal!
