

P3/4 Writing & Design Task

- To create a tea party poster that encourages our families to celebrate 10 years since the opening of the Colinton Primary garden, the "Room to Grow."

Look at the poster/leaflet below to get an idea of what a good one looks like.

The coloured boxes around the leaflet are your **success criteria**. You should aim for your poster to be at least as good as this one above.

Your task:

On **Friday 29 May** we would like all Colinton families to have a **tea party** to celebrate the **10th anniversary of the opening of the "Room to Grow."** You should make a poster to advertise this event. The best of the posters will be sent to all the school's parents. Please get an adult to send a copy of your poster to Mr Morrison at david.morrison@colinton.edin.sch.uk

You could make your poster using:-

- traditional school equipment - pencils, pens, rulers etc.
- paints
- computer or tablet apps - the leaflet above used Word but you could use Pic Collage if you have it downloaded on your tablet

Be as creative as you want to be. Once you have finished, your poster can be sent either by taking a photo or, if you used a computer app, emailed directly. We look forward to seeing your entries by **Friday 15 May**.

Good luck

Mr Morrison & Mrs MacLeod
