Outdoor Phonics

Think of one of the new sounds you have been learning this week. Roll a large dice and see which number you get.

Using chalk, write that number of words on the ground. All of the words must contain your chosen sound.

Outdoor Phonics

Make a mud cake. Remember to add lots of different ingredients, including **two stones, one leaf and three sticks**. Make a recipe card for your mud cake so your friends know how to make it too.

Outdoor Phonics

Add the new sounds you have been learning to cones. Throw a hoop over the cones and say the sound that you are aiming for. How many sounds can you hoopla?

Outdoor Phonics

How many of these items can you spot in the outdoor area today? Tick them off as you find them and add some more to the list for your friends to find.
