Literacy	Numeracy & Maths
<p>Reading- Read the information sheet about VE Day – it's on the class page of the school website. Make a list of any new words in the text and find out what they mean.</p> <p>Talking and Listening – watch this clip https://www.bbc.co.uk/teach/class-clips-video/history-ks2-ve-day/z7xtmfr to learn more about VE Day. Ask an adult in your family to watch it with you so that you can discuss it.</p> <p>Writing – make a double page fact file in your jotter about VE Day. It should include writing, labels, drawings... and maybe maps, flags, quotes. Take time to complete this work to a class standard – about 1 hour per day.</p> <p>Spelling – Complete some spelling games on Sumdog to practise common words. The games are set so that you will practise words at an appropriate level. You should try to spend at least 30-40 minutes each week on spelling games.</p>	<p>Number - www.sumdog.com Many of you have been using Sumdog to practise your maths skills – and I can see how well you are doing. Try to spend 20-30 minutes 4 times a week on maths activities. Remember Sumdog notices what you know and will make things more challenging as you learn and to help you make progress. Check the next page to see if you have made it onto the leader board this week</p> <p>Time – Over the next few weeks we will be focusing on Time. Look at the Time Progression sheet which is on the class page on the school website. This gives a series of activities to work through – ask someone at home to help you with this. Master one skill before moving on to the next.</p> <p>Addition and Subtraction – Continue to practise mental addition and subtraction.</p> <ol style="list-style-type: none">1. Use some of the activities from the last two weeks.2. Play Hit the Button – choose Number Bonds on the game menu. <p>https://www.topmarks.co.uk/maths-games/hit-the-button</p>
Health & Wellbeing	IDL – VE Day Celebrations – Friday 8 th May
<p>Stay active – Continue to keep fit with Joe Wickes at 9am each day.</p> <p>Dance - American soldiers, who were stationed in the UK, brought their dance moves here. Have fun watching a Lindy dance which was popular in WW2. Spot the fusion of different dance styles – jazz, tap, breakaway and Charleston? https://www.bbc.co.uk/bitesize/clips/zwn4wmn. Can you invent a routine of your own to this music?</p> <p>Be Kind – Using last week's Kindness Challenge choose 1 activity from each row.</p> <div data-bbox="118 1078 1137 1382" style="border: 1px solid black; padding: 10px;"><p><i>Hello - How are you all? This week Monday and Friday are holidays, so your grid is just for Tuesday - Thursday. Friday is a special holiday this year and many of your activities are linked to this. Although we will not be able to get out and about on the holiday there are activities on the grid which can help to make the day special. I hope you enjoy doing them and have fun with your family</i></p><p style="text-align: right;"><i>Mrs Anderson</i></p></div>	<p>Friday is a special holiday to remember VE Day – your literacy tasks will help you find out what VE Day is. There were special events planned for VE Day which will not now take place. However, we can celebrate in our own homes. Many people will be having a VE Day Tea Party in their household.</p> <p>Art – design a poster with the headline, 'We'll Meet Again'. Although this was a very famous WW2 song it has become important in recent weeks as The Queen used it when she spoke to the country during lockdown. Can you display your poster somewhere to share kindness with others?</p> <p>Music – Listen to some of the music people would have been listening to during WW2 – there's lots on youtube. Try Glenn Miller, Andrews Sisters, Vera Lynn. What do you think? Do you enjoy this music? Find the song – 'We'll meet again' by Vera Lynn and try to learn it so that you can join in with singing it on Friday. Find out what time everybody has been asked to sing this song together?</p> <p>Be Creative – Can you create decorations for you house using recycled materials? E.g. use newspaper or old magazines to make paperchains or bunting.</p> <p>Tea Party – Ask if you can prepare some food for a tea Party on Friday – perhaps you could make some sandwiches or bake some cakes.</p>

"NB: Guidance, activities and ideas to support learning will be uploaded under Class Pages on our website for children who are also part of a 'Launch Pad' Group."

Well done!

It's been great seeing some of your learning this week.

Rachel and Freddie M your tessellations were super!

Lewis F – great to see you have been showing kindness by walking the dog and baking some delicious cakes

Jeanne – you worked hard on your letter to your cousin and your kindness poster.

Be kind whenever possible –
it is always possible!
