You should now have 22 words. Please practise **5 or 6 each day**, using **different colours of pencil for each letter**, or by **building pyramids** or by writing them in our **bubble writing** or by playing **spelling tennis**. We have used all these strategies in class. Choose the one that **you prefer**. On Friday, maybe an adult in your house, could give you a **spelling test** to see how you get on? **Do you know what all these words mean?**

Parents - I will attach Spelling Strategies, if your child wishes to try a new one to help with their learning.
