| <p>Reading- Choose your favourite book from oxford owls to share with an adult. If you would like to email a video of your reading to us please send it to Melissa.mitchell@colinton.edin.sch.uk We would love to see how well you have been doing during our time apart.</p> <p>Well done to all who completed the spelling assessment, you have done amazing. There is still time to take part in this. Ladybirds your assessment is now online.</p> <p>Writing- A letter for your future self: This has been a very odd and confusing time for all of us. Mrs Campbell and I have missed you very much. In years to come you may want to look back on this time and remember what you did, how you felt and all the wonderful love and support you had from your family. Write yourself a letter or draw a picture to put in an envelope and keep to open when you are a bit older. Choose a date when you will look at it again!</p> <p>Thank you so much to everyone who has posted letters and pictures to Miss Mitchell and to Mrs Campbell in the school postbox on the fence at the school gate. Please continue to post this week-we are loving hearing from you.</p> | <ul style="list-style-type: none"> • All Groups • Sumdog: There is another competition in which you have been entered into, running from 19-25th June. Please check it out. • Symmetry: Have a wee walk in your garden/park/hills/house and find lots of 2 identical objects. Eg 2 leaves, 2 stones, 2 flowers, 2 toys, 2 socks, 2 counters and so on. Get a piece of string or any marker and create a symmetrical (that is identical) picture on both sides of the string-see attached photo of some symmetrical objects I gathered. • A few interesting symmetry websites below. - https://www.topmarks.co.uk/symmetry/symmetry-matching - https://www.topmarks.co.uk/symmetry/symmetry-sorting http://resources.hwb.wales.gov.uk/VTC/ngfl/maths/greg_morgan_symmetry/index.htm My favourite tool- Symmetry Painter https://pbskids.org/peg/games/symmetry-painter |

Relaxation Activities: A few fun activities you can try-

- pretend you are a feather floating to the ground. Suddenly freeze and hold as a statue. Slowly relax all your muscles and continue to the ground as a feather. Repeat several times.
- pretend you are a lazy cat that just woke up. Have a yawn and a stretch and then curl up relaxed.
- tell someone a funny story or joke. Get them to tell you one back. Let yourself laugh out loud.
- take a biscuit or a piece of fruit or a crisp. Examine it closely. Tell someone what it looks like/smells like/tastes like/sounds like/feels like. Now they describe something tasty back to you.

Can you think of an activity that makes you feel relaxed? Maybe cuddling your dog, colouring in, curling up with a special toy or book. Try drawing a picture and writing a sentence about it. Share your picture on your Journals.

Happy Birthday to Sophia for last week!

Reports for P1 are on their journals. Look out for the link from Mrs Brown for our summer survey and report feedback.

A great big thank you

To our dearest Primary 1s

Welcome to your final week of Primary 1. It has been a very long 15 weeks since we were last all together, and we have missed you all very much.

We have been so proud of you and your families for the way you have faced this terms learning head on. We have loved seeing all of your photos on your journal, twitter and email. We have been so impressed with all of the work you have completed at home.

Friday is the official start of the summer holiday. We look forward to welcoming you back in August as P2. By then you will have grown so tall and have so many stories to share with your teacher.

Wishing you all a wonderful summer holiday and keeping our fingers crossed for sunshine.

Miss Mitchell and Mrs Campbell

PS. Your Sumdog, Education City, Learning Journal and Oxford Owls account will all remain active over the summer.
