I have rewarded each child mentioned above with 50 Sumdog coins!

Twitter

Some people caught Miss Billes' eye on Twitter last week! They were...

Esme, for sharing your fantastic symmetry work and very neat writing in your butterfly booklet!

Atiksh, for sharing your very precise butterfly symmetry artwork!

Zoya, for sharing a picture of you delivering your letter, your symmetrical butterfly and your fantastic magic e comic strip!

Darcy, for sharing the wonderful pictures of your gardening project!

Thank you so much to everyone who has put something in the post box for me! It has been very special to receive something from you. If you would still like to do this, you can post your letters this week and I will pick them up on Friday. 😊

Star of the week: You are all my stars this week and always! Thank you for all of the hard work you have put in this year. You have achieved so much and have not only learned from me, but I have learned from you. You have taught me to keep finding things to smile about on the grey days, to keep trying when things don't work out the first time and to always find times to be a little bit silly and have fun! I wish you all the best for Primary 3. Keep working hard, singing and being the fantastic team I know you are!
