

Tweet pictures of your home learning achievements #ConnectingColinton #ColintonStars

Literacy -

Reading- set aside 15 minutes every day to read a book of your own choice.

Literacy tasks are on the **Looking back, looking forwards** grid. Try to complete all 6 activities this week. Some of the activities are needed for next year when you go into P5/6.

Launch Pad learners - as you also have work from Mrs Hood please do what is best suited to you from this Looking back, looking forwards task sheet.

EVERYONE - If you haven't had a chance to write me a letter and to post it in the box outside school I really would love to hear how you are getting on. Today, Monday 22nd June, is the final day to do this. Remember all letters posted stand a chance of winning a prize from Mrs Brown!

Health & Wellbeing -

1. **Keep fit with** - The Body Coach #PEwithJOE, Mon - Fri 9am

2. Remember to do something which makes you feel positive every day!

3. The Colinton's virtual Sports Day is all set up and ready for you to take part in. You should try to complete it between 19 - 23rd June. We would love it if you can share any photos.

4. Make sure you look at the outdoor learning grid for other ideas how to keep active outdoors.

Numeracy & Maths -

1. Make sure you log on to Sumdog every day. Friday 19th was the start of a new competition week so we need everyone in our class trying to do their best by joining in and playing! There will be a new Sumdog every day!

2. Use Topmarks to help you to practise your multiplication skills - Hit The Button. Have fun trying to improve your score!

3. Use this link to help you to practise your division - lots of different games to try here! I really like the game 4 in a row. Let me know if you can beat the computer!

<https://www.multiplication.com/games/division-games>

4. Have fun practising symmetry using one of these activities -

Other Learning

Use the **outdoor learning grid** for ideas of what you can be doing out of doors.

Other end of year things to be doing...

1. Try the **Sun Salutation** yoga pose you were introduced to last week.
2. Create a **symmetrical picture** out of doors.
3. Write a **list of topics** you would like to learn more about in school next year...remember we didn't achieve all we wanted to this year.
4. Sing the songs which remind you of when we were together as a class
5. Don't forget to keep up with your **French** by watching T'choupi cartoons online.
6. **Be kind** - offer to do things for other people without being asked, share your smiles, words of encouragement and thanks.
7. **Be creative** - make things, do things, build things, experiment, make time to be mindful, be open to new ideas. Just be the best you can be! You have been a brilliant class group...you finish working this week for the holiday. Ask your family if you can organise an end of term celebration at home!

I will be checking my email occasionally during the holidays and will get back to you if you have any questions. **ENJOY THE HOLIDAYS!** Best wishes, Mrs St Clair
