

Spelling - this week we are practising tricky spelling words. Remember they may look easy but you need to be certain you can spell them correctly every time!

1. Look for your name at the top of one of the boxes.
2. Inside the box you will see the spelling words with prefixes you need to practise this week. You should be aiming to get at least 7 correct in Friday's quiz.
3. On Friday take the Sumdog spelling quiz for your group.
