

Colinton Primary School P2 Home Learning Grid – Monday 8th June - Friday 12th June

Tweet pictures of your home learning achievements with #ConnectingColinton #ColintonStars @ColintonPrimary

Launch Pad learners, please see additional activities and ideas to support learning from Mrs Hood on the Launch Pad Page.

Literacy	Numeracy & Maths
<p>Reading Spend some time reading with someone at home once a day. You can also listen to some excellent free audio books using this link: https://stories.audible.com/discovery You can listen to Simon Callow, Bonnie Wright and Evanna Lynch reading the fifth chapter of Harry Potter here: https://www.wizardingworld.com/chapters/reading-diagon-alley</p> <p>Ebooks All – Read "Winnie and Wilbur Stay at Home" using this link: https://www.oxfordowl.co.uk/api/interactives/30463.html How many of the activities that Winnie does in the story are things that you have done at home too?</p> <p>Phonics Suns – see work set by Mrs Hood on the Launch Pad learners page Rainbows and Tornadoes – Use your vowel digraph flowers to create a scavenger hunt! Ask someone to hide the flowers around the house or garden and to ask you to bring back each sound, one at a time (we tried this in the classroom a while ago). You could then hide them for someone else but make sure they bring you back the sound you have asked for! Keep practising reading and writing your common words! I have set some more common words assessments on Sumdog for you to complete. Try and beat your score from the last time.</p> <p>Writing (Health and Wellbeing focus) Create a poster to encourage people to wash their hands. Think about the words and pictures that will be most persuasive. You could even use some rhyme e.g. "Keep the germs away, wash them every day!" You can also write a letter to your teacher and leave it in the special post box outside the school!</p> <p>Talking & Listening Listen to 'Little Red Riding Hood' using this link: https://www.youtube.com/watch?v=2B_grX_RYbs&feature=emb_title Can you retell the story to someone at home? You could also make this a Drama activity by acting out the story.</p>	<p>Number All: We have been working on doubles and halves. Doubling a number is the same as saying times 2. For example, double 3 is the same as 3x2. Go through your numbers from 1-10 saying "Double 1 = 2, so 1x2 = 2. Double 2 = 4 so 2x2 = 4...etc." Complete a daily 10 using this link: https://www.topmarks.co.uk/maths-games/daily10 Select Level 2 > Multiplication > 2x Table up to 10. Launch Pad Learners, Rectangles and Pentagons: Please complete p22&23 of "Total Numeracy Workbook 4" which was sent home. Octagons: Please complete p11&12 of "Number Workbook 2" which was sent home.</p> <p>Topic Maths – Money Create a free account with MyBNK: https://learning.mybnk.org/courses/family-money-twist-years-1-2/ Work through the activities to learn about ways that people get and save money. Think about different ways that you get and save money while you work through the different activities. It would be great to hear how you get on with this through Twitter or email.</p>
<p>Inter Disciplinary (Topic) and Other Learning</p>	
<p>Life Skills: Do you have a pair of shoes that have laces? Practise tying them by yourself to show how independent and responsible you can be. (This may take more than a week)! Use this song to help: https://www.youtube.com/watch?v=biPIP4yiyQs French: Join in with this silly song to learn the French words for the parts of a bird's body: https://www.youtube.com/watch?v=L_hFw_cWg9U Art: Think about the word 'peace'. Create some artwork inspired by this word. I am looking forward to seeing what you all come up with because you are so creative! A bit of fun... Join Miss Billes for some mindful listening and breathing using this link: https://youtu.be/YjeacittMmQ</p>	
<p>Health & Wellbeing</p>	
<p>Fischy Music are doing live assemblies at 11:00am every Monday on their youtube channel! Remember you can also access Fischy Music online with our school login! P.E.: Keep active with Joe Wicks or by joining in with our whole school workout! Follow this link to find the Colinton video: https://www.youtube.com/watch?v=fXBvKYBi1aE Keep practising some of the skills we would have been learning for sports day e.g. three-legged race, egg and spoon, relay, standing long jump. Outdoor Learning: I hope you have been enjoying the activities from the outdoor learning grid. Try a few more this week and see if you can come up with some of your own! *Remember to take some time away from screens by talking, drawing, building, baking, getting outside and playing imaginary games!*</p>	

Please use your homework jotter to keep track of your learning. All questions, queries and achievements can be sent to: admin@colinton.edin.sch.uk

P2 Achievements and Celebrations

Twitter

Sumdog

Well done for all your hard work on Sumdog last week!

Maths Leader board:

1 st	Sereana
2 nd	Atiksh
3 rd	Zoya

Grammar Leader board:

1 st	Caelyn
2 nd	Ailsa
3 rd	Atiksh

Spelling Leader board:

1 st	Zoya
2 nd	Darcy
3 rd	Benjamin

Halving Assessment Success

I have been very impressed with the high scores again from everyone this week! Special mentions:

Well done Atiksh, Thomas, Zoya, Denholm, Antoś, Benjamin, Olivia, Mencia, Sereana and Malachi for all scoring 10/10!

I have rewarded each child above with 50 Sumdog coins! Could it be you next week?

So many people caught Miss Billes' eye on Twitter last week! They were...

Sereana, it was great to see you working with your sister, making some delicious looking cakes!

Ailsa and **Caelyn**, for sharing pictures of you working hard on your reading!

Esme, for sharing your wonderful work in your butterfly booklet, your money work and vowel digraph word sentences!

Zoya, for your video showing some VERY impressive money work!

Atiksh, for sharing your detailed solar system picture and your money work!

Remember to keep using our school hashtags: [#Colintonstars](#) [#ConnectingColinton](#)

Keep posting and look out for my replies to your tweets!

Thank you for all your emails of your achievements in your home learning! I always enjoy seeing how you are all getting on and it has been particularly nice to see some of you enjoying the sunshine! ☺

Birthdays

It's Zoya's birthday this week! Happy birthday Zoya ☺
I'm sorry we can't be together to celebrate but I hope you have a lovely day!

Star of the week: Well done, **Denholm** for being the star of the week! Mr Guyan sent me a photo of the solar system picture you drew at the hub, which was fantastic. You also scored highly on my Sumdog assessment this week. Keep up the good work!
