

I hope you are all enjoying your learning and staying creative. Stay safe and well, Miss Wright.

<p>Literacy</p> <p>Reading Log on to your SUMDOG account to access the reading activities. Read a book of your choice and complete some of the reading detective activities: Question Master, Word Wizard, Illustrator, Character Cop, Connector, Predictor.</p> <p>Writing <u>Spelling</u> – Log onto your SUMDOG account to find wordlists and activities. <u>Common words</u> - Have a look at the ‘Common Words’ document attached for wordlists and activities. <u>Writing</u> This week we are going to focus on The Summer Solstice! Have a look at the grid attached for lots of different activities. The grid will last you the whole week so choose which activities you would like to complete daily.</p>	<p>Numeracy & Maths</p> <p>Number Log on to your SUMDOG account and complete some of the maths activities. This is our sixth and final week focusing on multiplication and division Multiplication – Have a look at some of the practise sheets attached 3 weeks ago. Mild – Practise your 2, 5 and 10 times tables https://www.youtube.com/watch?v=3yf3xgE8wMc https://www.youtube.com/watch?v=2KyDZ7f1RfE https://www.youtube.com/watch?v=VIVJhAlruCc Spicy – Practise your 3 and 4 times tables https://www.youtube.com/watch?v=1OPTfVcoCO4 https://www.youtube.com/watch?v=4SXctAyxZfo Hot – Try learning your 6 and 7 times tables https://www.youtube.com/watch?v=1CGnFEp9k24 https://www.youtube.com/watch?v=LcSwgZ48ph8 Maths – Symmetry and Pattern! We are changing our focus this week to symmetry. Have a look at this video and try to complete the activity “Flip Me”. https://open.online.clickview.co.uk/libraries/categories/26205208/videos/4991116/introducing-symmetry</p>
<p>Health & Wellbeing + Technologies</p>	<p>Inter Disciplinary (Topic) and Other Learning</p>
<p>PE Joe Wicks is doing a YouTube workout every morning at 9 am “The Body Coach TV”! Join in with thousands of children across the country.</p>	<p>Outdoor Learning I had attached an updated Outdoor Learning Grid. Have a go at some of the new activities and feel free to repeat some of the original activities.</p>
<p>Play Imagination and play are key to childhood development and learning. Here are some ideas of things you could do: Play a game, do a jigsaw, play some cards, build a fort, play with lego, do some baking, make a treasure hunt, make finger puppets, create a board game, do an obstacle course, create a song to sing while washing your hands, play hide and seek, play a memory game, watch a film together.</p>	
<p>Additional Information Launchpad Learners: Guidance, activities and ideas to support learning will be uploaded under our new Launch Pad Page on our website for children who are also part of a ‘Launch Pad’ Group. Tweet pictures of your home learning achievements #ConnectingColinton #ColintonStars All questions and queries should be directed to: admin@colinton.edin.sch.uk</p>	

Who has caught my eye this week?

Here is this weeks P3 Leaderboards Sumdog. Will your name be on it next week?

I'm so pleased to see how hard you have all been working. **Remember there are spelling and maths challenges for you to do!**

Maths	
1	Adria
2	Miles
3	Meredith
4	Jay
5	Amelia

Spelling	
1	Ayden
2	Logan
3	Jay
4	Amelia
5	Adria

Thank you to Jay for my lovely postcard. I loved the double rainbow and I am always excited to hear about your butterfly project! Keep up all the fabulous work!

I was so delighted to see Jay making the yummy shortbread from the recipes we wrote back in January! I hope it was yummy!

Thank you to Yaqoob for my beautiful letter. It was so nicely written and I am delighted to hear about all your fabulous hard work. I also enjoyed all the glitter and sparkle!

Thank you so much for my beautiful card Ayden! I was delighted to get it in the post this week!

Well done to Niamh for making a fab Robot for her art project! I loved the buttons on his/her top half. Great work!

Well done to Ayden all your hard work and your fab idea of completing a "Covid 19 Time Capsule"!
