

## Outdoor Learning

Have a go at the following outdoor learning activities. Keep us updated on twitter/by email with how you get on.

<p style="text-align: center;"><b><u>A-Z</u></b></p> <p>Go for an outdoor walk. This can be in your garden, the woods, your street, or the hills! Write down A-Z and list as many things as you can for each letter that you find, see, smell or hear on your walk. Are there any letters you can't find anything for?</p>	<p style="text-align: center;"><b><u>Tree Drawing</u></b></p> <p>Find a tree near to your house. Observe it carefully then have a go at drawing it. Once you have drawn its shape, add as much detail as possible. Look at the different lines on its trunk, the shape of the leaves, any shadows etc.</p>	<p style="text-align: center;"><b><u>Explorer</u></b></p> <p>Draw a map of your area. You can use google maps to help. Every time you go out for a walk, scoot or cycle this week, mark the route on your map with a coloured line. Use a different colour if you do more than one route.</p>	<p style="text-align: center;"><b><u>Poem</u></b></p> <p>Write a poem inspired by the outdoors. You can choose what type of poem to do. Use your senses to help find words that you can use (see, hear, smell, touch, taste)</p> 
<p style="text-align: center;"><b><u>Litter watch!</u></b></p> <p>Go on a walk/cycle and make note of how many pieces of rubbish you find on the path or gutter. You could categorise these into groups such as crisp packets/cans/paper and keep a tally. How many pieces did you find in total?</p>	<p style="text-align: center;"><b><u>Mindful Listening</u></b></p> <p>Go outside and listen <u>in silence</u> for 5 whole minutes. What could you hear? Did you notice any wildlife sounds? Or sounds made by people? Did anything surprise you?</p> 	<p style="text-align: center;"><b><u>Fitness</u></b></p> <p>Plan a fitness route for you and your family. Where can you go that is nearby? How can you get there? Will you walk, run, cycle, scoot or hop? Will everyone in your family do the same exercise?</p>	<p style="text-align: center;"><b><u>Question</u></b></p> <p>What is your favourite outdoor space and why?</p>
<p style="text-align: center;"><b><u>Cloud Gazing</u></b></p> <p>Find a safe and comfortable place to lie on your back outside. Watch the clouds above you. What shapes can you see in the clouds?</p>	<p style="text-align: center;"><b><u>Feed the Birds</u></b></p> <p>Find out how to make a homemade bird feeder. This link shows you how but there are lots of other ways on youtube too.</p> <p><a href="https://www.youtube.com/watch?v=7yV6V6rtpyc">https://www.youtube.com/watch?v=7yV6V6rtpyc</a></p>	<p style="text-align: center;"><b><u>Natural Art</u></b></p> <p>Gather some materials from outside and create a piece of art. You could use fallen flowers (don't pick them!), leaves, grass, sticks, stones...</p> <p>For an extra challenge try and make your art symmetrical.</p>	<p style="text-align: center;"><b><u>Scavenger Hunt</u></b></p> <p>Choose a colour or a letter. Go outside and try to find at least 5 things of that colour/letter.</p> <p>If you do this with other people you should all choose a different colour/letter and see who finds the most.</p>
