

Outdoor Learning - the choice is yours...what will you do? Remember to wash your hands when you go indoors.

## Natural Art

Gather some materials from outside and create a piece of art. You could use fallen flowers (don't pick them!), leaves, grass, sticks, stones...

Be inspired by what you see around you - use your imagination and creativity.

For an extra challenge try and make your art symmetrical.

## Observational Drawing

Find a tree near to your house.

Observe it carefully then have a go at drawing it.

Once you have drawn its shape, add as much detail as possible. Look at the different lines on its trunk, the shape of the leaves, any shadows etc.

## Quick ideas for outdoor fun!

**Pick as many as you like - remember the grid lasts more than one week!**

- |                              |                                       |
|------------------------------|---------------------------------------|
| 1. Hunt for wildlife         | 15. Investigate butterfly life cycles |
| 2. Climb a tree              | 16. Cook something outside            |
| 3. Paint stones              | 17. Build a bird feeder               |
| 4. Have a mini Olympics      | 18. Make a sculpture from twigs       |
| 5. Wash a car                | 19. Play a game                       |
| 6. Have a picnic             | 20. Make a flag and flagpole          |
| 7. Blow bubbles              | 21. Fly paper aeroplanes              |
| 8. Go bird watching          | 22. Make mud pies                     |
| 9. Build a shelter           | 23. Hug a tree                        |
| 10. Identify different trees | 24. Keep a nature diary               |
| 11. Build a mini volcano     | 25. Read a book                       |
| 12. Hunt animal tracks       | 26. Build a bridge or a tower         |
| 13. Have a relay race        | 27. Draw a tree                       |
| 14. Plant something          | 28. Play with a ball                  |

## Use your senses

Find a space outside to sit quietly and be aware of all that is around you. What can you see?

What sounds do you hear?

What can you smell?

What things around you can you touch? What do they feel like?

Write a poem inspired by your senses when you are outdoors.

## Go outside and make your heart race!

Head outside and practise sports day events.

Try some events which we would usually do at school - running, egg (potato!) and spoon, long jump etc

Create some events of your own and have fun trying out new ideas.

Ask everyone in your family to have a go if they can?

## Scavenger Hunt What to do:-

Each day, if you can, go for a walk and choose a new group of things to find.

Here are some suggestions:

- Choose a specific colour - all things that are yellow, for example.
- Choose a specific shape or pattern - e.g. things that are symmetrical, square/circular/rectangular shaped, different types of angles for example.
- Choose things that make you think of a different country - something that looks like it would grow in a desert or you might find in a market in Kenya, for example.
- Choose things starting with a specific letter of the alphabet.

On your walk, hunt for your things - e.g. in nature, in buildings - and when you find something make a note or perhaps you could take a photograph.

If you take photos you could create a collage to show what you found - e.g. using picollage app.

Remember you can share your work on Twitter.
