## Holidays are coming...

Here are some end of year activities we can keep on doing...

Try the **Sun Salutation** yoga pose you were introduced to last week.

Create a **symmetrical picture** out of doors.

Write a **list of topics** you would like to learn more about in school next year...remember we didn't achieve all we wanted to this year.

Don't forget to keep up with your **French** by watching T'choupi or Trotro cartoons online.

**Be kind** – offer to do things for other people without being asked, share your smiles, words of encouragement and thanks.

**Be creative** – make things, do things, build things, experiment, make time to be mindful, be open to new ideas.

Ask your family if you can organise an end of term celebration at home!

**Always be the best that you can be!**

## The Sumdog Edinburgh Contest

**19<sup>th</sup> -25<sup>th</sup> June**

**At least 10 pupils from a class need to take part for the score to count.**

**There are both class and individual leader boards.**

**Let's all work together to see if P5 can get onto the Leader Board – or maybe even win a daily prize!!**

**Happy Holidays
