

P5 Money these activities will last all week.

Task One – For each item work out the change you would get if you paid with - **a)** £5 note.

e.g Felt pens £2.35 - Change from £5 = £2.65

Challenge – what would be the change from £10?

Task Two – Choose 10 items and write down the coins you could use to pay for each.

Challenge – can you pay for each item using 2 – or more – different combinations of coins?

Task Three – Choose 2 items to buy and calculate the total cost. Write the addition calculations in your jotter. Remember to line up the digits carefully. Aim to do 10 different calculations.

Challenge - Choose 3 items to buy and find the total cost.

Task Four – You are buying new equipment for our class. We will need 6 of each item you choose. Choose 10 items and multiply the price by 6 to find the total cost for that item.

Challenge – can you find the total cost of all the items you have bought?
