

SPELLING RULE Week Beginning 8th June

When a single vowel is followed by a single consonant, double the consonant before adding -ed or -ing.

For eg.

rob - robbed - robbing

Try these:- when complete there should be three words on each line (as above).

Skid

Beg

Travel

Trim

Plan

Stop

Stir

Fit

Choose one word from each line and make an interesting up levelled sentence!

You should now have 27 words. Please practise some each day, using **different colours of pencil for each letter**, or by building pyramids or by writing them in our **bubble writing** or by playing **spelling tennis**. We have used all these strategies in class. Choose the one that **you prefer**. On Friday, maybe an adult in your house, could give you a **spelling test** to see how you get on? Do you know what all these words mean?

Parents - **Spelling Strategies**, were attached last week - should your child wish to try a new one to help with their learning.
