<p>Listen to https://www.youtube.com/watch?v=u7E2d1hITv0 And https://www.youtube.com/watch?v=Y9eQcZOb6r4</p> <p>Can you say what the <u>main parts</u> of the story are? <u>Draw</u> and <u>sequence</u> what happens. Show this by making a <u>cartoon strip</u>.</p>	<p>Can you find out which animals live in the North Pole? What do they eat? How do they live? What are icebergs? Create your own Factfile.</p>	<p>At one point, the two characters fell out and disagreed and did not speak for the rest of the evening? <u>Is this the best way to deal with disagreements?</u> In the past year, what strategies have you used when you are working with someone and they don't agree with you? Looking to next year, what <u>strategies</u> could you use for <u>effective team work</u>?</p>
<p>On their journey to the <u>North Pole</u>, they passed the <u>Shetland Isles</u>. Look at the map of the U.K. (See attachment) Can you list all the <u>Scottish Islands</u> you can see? Does anyone know which one Mrs MacLeod comes from 😊</p>	<p>Create your own picture of your favourite part of the story using whatever materials you like.</p>	<p>The character says that he looked back and it "<u>brought a lump to his throat</u>". What did this mean? How do you think he felt when he <u>looked forward</u>? Think particularly of the <u>end of the story</u>.</p>
<p>There is a <u>twist</u> in this story. What is a <u>twist</u>? (Do Penguins really live in the North Pole?) Can you <u>reflect</u> on how the story ended despite all the <u>challenges</u> along the way?</p>	<p>Can you make the ship the characters sailed in? You might choose to use playdough, bricks or lego? Maybe you could use recycling?</p>	<p>Discuss, where in the story the characters showed <u>resilience</u>? What happened? What <u>difficulties</u> did they face along the way? List them. How did they carry on? Have you ever had to show resilience?</p>
