

Nearly everyone is now on Teams which is great! It has been lovely chatting to you all every day in our 'virtual classroom' and was great catching up on the Teams video call. Keep up all your hard work everyone – you are doing such a fantastic job! Miss S & Mr G

<p>Literacy</p> <p>Reading</p> <ul style="list-style-type: none"> • <u>Read</u> for at least 20 minutes a day • Reading <u>comprehension</u> task on class page (3 options with answers) <p>Spelling</p> <ul style="list-style-type: none"> • New <u>spelling words</u> on class page • Miss Skea will also record the words on Teams so you can <u>test</u> yourself <p>Writing</p> <ul style="list-style-type: none"> • Create a <u>fact file</u> or <u>poster</u> about Andy Murray (use the reading task to help you). Make sure it is creative, stands out and is neatly presented with lots of information. Interesting words and punctuation should be used. • There are 3 levels of <u>writing assignments</u> on Teams • <u>Write a note/letter</u> to a teacher and pop it in the new 'school post box' outside school. This will be put outside during the day and taken back in in the evening. 	<p>Numeracy & Maths</p> <p>Numeracy</p> <ul style="list-style-type: none"> • Do the 'fast' multiplication check on Sumdog. You will have 6 seconds per qu. • Play multiplication snap with some cards (or make your own). Each person turns over one card, whoever can times them together correctly first wins both cards. The person with the most cards at the end wins. (J=11, Q=12, K=100, A = 0) <p>Money</p> <ul style="list-style-type: none"> • There are 3 different Money assignments on Teams. • For 1 and 2 you will need to work out the profits and losses of different businesses. • For 3 you will be designing your own business and working out how to make money.
<p>Health & Wellbeing</p> <p>Staying Active</p> <ul style="list-style-type: none"> • Join Joe Wicks at 9am on YouTube for your daily morning workout <p>Outdoor Learning</p> <ul style="list-style-type: none"> • Keep going with the grid on the next page 😊 <p>Food</p> <ul style="list-style-type: none"> • This week research a traditional dish from around the world and see if you can prepare it for your family. Examples would be Italian pizza, Belgian waffles, Hungarian goulash, Czech dumplings, Indian curry, and many, many more. 	<p>Inter-Disciplinary (Topic) and Other Learning</p> <p>Art</p> <ul style="list-style-type: none"> • Complete the art quiz on teams • Look at the flower fashion designs on the class page and have a go at something similar • Try these 3D drawings https://www.youtube.com/watch?v=OAq2X-0FbGM https://www.youtube.com/watch?v=LcWLe_f-wQk <p>Science</p> <ul style="list-style-type: none"> • Complete the Science Experiments assignment on Teams.
<p style="text-align: center;">Spotlight</p> <p>Sumdog – Top of the leader boards! Maths – Mehalia, Spelling – Max, Grammar - Mehalia</p> <p>Teams – Finlay, Maddison and Connor shared great up-levelled stories, Maddison did some good money work, lots of art and designed a cool automatic juice device, Connor built a bug house and shared great art, William was creative with his outdoor art and made homemade pizzas for his family from scratch, Callum made a wonderful bird feeder, lots of great art and a maths tessellation, Martha shared a beautiful rainbow-themed painting.</p>	<p style="text-align: center;">Teams</p> <p style="text-align: center;">Catch-up and quiz - P6/7 Wednesday 11am P7 meeting - P7 only Tuesday 11am</p> <p style="text-align: center;">We will be online between 10-11am Tues-Fri for the usual help and feedback. Remember you can post at other times, but we might not get back to you right away.</p>

All questions and queries should be directed to: admin@colinton.edin.sch.uk **Launch Padders**: guidance, activities and ideas to support learning will be uploaded under 'The Launch Pad' page on our website

Outdoor Learning

Have a go at the following outdoor learning activities. Keep us updated on twitter/teams/by email with how you get on.

<p style="text-align: center;"><u>A-Z</u></p> <p>Go for an outdoor walk. This can be in your garden, the woods, your street, or the hills! Write down A-Z and list as many things as you can for each letter that you find, see, smell or hear on your walk. Are there any letters you can't find anything for?</p>	<p style="text-align: center;"><u>Tree Drawing</u></p> <p>Find a tree near to your house. Observe it carefully then have a go at drawing it. Once you have drawn its shape, add as much detail as possible. Look at the different lines on its trunk, the shape of the leaves, any shadows etc.</p>	<p style="text-align: center;"><u>Explorer</u></p> <p>Draw a map of your area. You can use google maps to help. Every time you go out for a walk, scoot or cycle this week, mark the route on your map with a coloured line. Use a different colour if you do more than one route.</p>	<p style="text-align: center;"><u>Poem</u></p> <p>Write a poem inspired by the outdoors. You can choose what type of poem to do. Use your senses to help find words that you can use (see, hear, smell, touch, taste)</p> 
<p style="text-align: center;"><u>Litter watch!</u></p> <p>Go on a walk/cycle and make note of how many pieces of rubbish you find on the path or gutter. You could categorise these into groups such as crisp packets/cans/paper and keep a tally. How many pieces do you find in total?</p>	<p style="text-align: center;"><u>Mindful Listening</u></p> <p>Go outside and listen <u>in silence</u> for 5 whole minutes. What could you hear? Did you notice any wildlife sounds? Or sounds made by people? Did anything surprise you?</p> 	<p style="text-align: center;"><u>Fitness</u></p> <p>Plan a fitness route for you and your family. Where can you go that is nearby? How can you get there? Will you walk, run, cycle, scoot or hop? Will everyone in your family do the same exercise?</p>	<p style="text-align: center;"><u>Talk about it</u></p> <p>What is your favourite outdoor space and why?</p>
<p style="text-align: center;"><u>Cloud Gazing</u></p> <p>Find a safe and comfortable place to lie on your back outside. Watch the clouds above you.</p> <p>What shapes can you see in the clouds?</p>	<p style="text-align: center;"><u>Feed the Birds</u></p> <p>Find out how to make a homemade bird feeder. This link shows you how but there are lots of other ways on youtube too.</p> <p>https://www.youtube.com/watch?v=7yV6V6rtpyc</p>	<p style="text-align: center;"><u>Natural Art</u></p> <p>Gather some materials from outside and create a piece of art. You could use fallen flowers (don't pick them!), leaves, grass, sticks, stones...</p> <p>For an extra challenge try and make your art symmetrical.</p>	<p style="text-align: center;"><u>Scavenger Hunt</u></p> <p>Choose a colour or a letter. Go outside and try to find at least 5 things of that colour/letter.</p> <p>If you do this with other people you should all choose a different colour/letter and see who finds the most.</p>
