<p style="text-align: center;">Spotlight</p> <p style="text-align: center;">Every single one of you has been amazing this year. You are all so important and valued.</p> <p style="text-align: center;">You all deserve to be in the 'spotlight' because you have all worked hard and achieved so much.</p> <p style="text-align: center;">We are very proud of you all. xO</p>	<p style="text-align: center;">Teams</p> <p style="text-align: center;">Teams call on Friday at 11am.</p> <p style="text-align: center;"><u>This will be our last Teams call all together.</u></p> <p style="text-align: center;">If you have any messages you would like to say to each other think about it before then. You might have goodbye messages for the P7s or our P6s who are moving schools.</p>

Looking Forward - Looking Back

This is the last week before the summer holidays. It has been a big and busy year with lots of change and challenges for everyone. But it has also been a fun, successful and brilliant year for so many reasons. We will really miss everyone who is leaving us to start new adventures at high school or new primary schools. We wish you all the best and hope you will stay in touch!

Have a go at some of these activities, designed to help you 'look back' on this year and 'look forward' to whatever comes next!

Looking Back	Looking Forward
<p><u>We have put these questions on Teams.</u> You can answer them there or on paper.</p>	
<p>This year we learned about Scottish history and environment; plants and animals; democracy and discrimination; STEM activities and famous scientists.</p> <p><u>What was your favourite topic and why?</u></p>	<p><u>Write a letter to your future self.</u> Keep it safe and reread it a year from now. You could write out your hopes/dreams for next year, any thoughts you have on what next year will look like etc. When you reread your letter, you can see if what you imagined came true!</p>
<p>This year we went on many trips. We went to a concert in Princes street gardens, the Risk Factory, Barracks, Scottish Parliament and classical music workshop.</p> <p><u>Which one did you enjoy the most? Why?</u></p>	<p><u>Draw a portrait</u> of yourself and then draw a line down the middle of the page (not through your portrait though!)</p> <p>On the left side of the page, draw all your favourite things about this year and on the right draw things about next year. You might include books you've read, friends, school buildings etc. Anything that was important and anything that might change!</p>
<p><u>What are your 'top tips' about being in P6 or P7?</u></p> <p>Write them in a list or a letter and then email us or post on Teams so we can share them with next year's p6 and 7s.</p>	<p><u>What do you hope to achieve next year?</u></p> <p>What are one/two things you would like to learn or get better at?</p>
<p><u>What are you most proud of this year?</u></p> <p>It might be something you have achieved in learning, fitness or socially.</p>	<p><u>What questions do you have about next year?</u></p> <p>Write a list and email it to us or post it on Teams.</p>
