

Bear Hunt Edinburgh Week Three

Share pictures from your Bear Hunt adventures on twitter #BearHuntEdin

Get your wellies on and hunt for a muddy puddle. See if you can make a 'Squelch, Squerch' noise. If you can't find a puddle you could "make" the same noise with jelly...

Make a bubble snowstorm. Your grown up can blow the bubbles and you run through the snowstorm 'Hoo! Wooooo!' Try to make bubbles with a silly sock at <https://bit.ly/2UQRAXo>

Listen to the story again – this time how composer Ian Stephens has told the story through music. <https://bit.ly/BearHuntMusic>

Try making the 'Splish Splosh' sound from the story. Collect some stones of different sizes and drop them in a bowl of water.

A big stone will make a big splash!!

Can you leave a stone in your window with bear?

Splish, splash we're making a bash!
