

Bear Hunt Edinburgh Week Five

Share pictures from your Bear Hunt adventures on twitter #BearHuntEdin

Going somewhere new might feel scary, that's ok. With a grown-up's help, can you write to the Edinburgh Bear and ask him any questions you have? Your grown-up can email them or send them to your nursery or school.

Can you draw a picture of your new school badge, or nursery logo?

Or you could print it out and display it next to your bear in the window?

Near the end of the story, the family come across a cave; can you make your own bear den at home?

Can you make a wee den in the window for your bear?

Tweet your dens to us

Using any materials you have at home, make your own bear puppet. You can tweet it to #BearHuntEdin or send a photo to your nursery or new school email account?

Bear needs a hug!
